

SAFETY AT WOMBAT'S

Information and Precautions

Cleanliness and Safety

- Plexiglas shielding in areas where the minimum distance cannot be guaranteed (reception, breakfast, etc.)
- Floor markings to guarantee social distancing in common areas
- Tables in bar and breakfast area spaced out at a safe distance and in accordance with the local regulations
- Hand sanitiser in all public areas
- Specialised disinfectant products for Housekeeping and Food & Breakfast teams designed for antiviral treatment
- Professional and alert staff, instructed on how to handle and adhere to Covid regulations
- Regularly updated information signs and flyers covering general Covid hygiene rules

Accommodation

- Rooms not only cleaned, but thoroughly disinfected after every departure
- After departure, no check-in to the same room for a minimum of 24h to ensure maximum cleanliness and safety
- Spaced out bunking, rooms filled to max 50% capacity with exceptions for families or small groups traveling together (in accordance with local regulations)

Food and Breakfast

- Large variety of products that can be selected and pre-packaged by staff instead of a classic buffet to ensure maximum hygiene
- Specifically instructed bar staff ensuring a safe combination of fun & hygiene
