CLEANLINESS & SAFETY

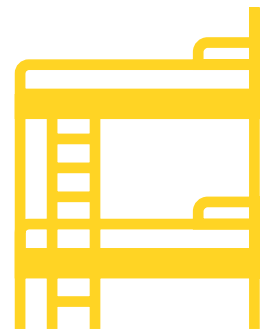

We've added Covid-related hygiene measures to our already award-winning cleanliness standards. These include:

- Plexiglas shielding in areas where the minimum distance cannot be guaranteed
- Floor markings to indicate correct social distancing in common areas
- Tables and seats in common areas are spaced out at a safe distance (in accordance with local regulations)
- Hand sanitisers situated throughout the entire house
- Specialised disinfectant products designed for antiviral treatment
- Professionally trained staff, instructed on how to follow and implement Covid regulations
- Regularly updated information signs covering general Covid hygiene rules

ACCOMMODATION

- Our rooms are not only cleaned, but thoroughly disinfected after each departure
- Spaced-out bunking. Room occupancy in full accordance with local regulations
- Regularly updated information signs covering general Covid hygiene rules

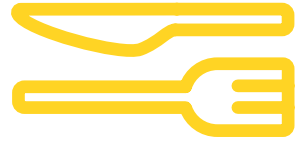

FOOD & BREAKFAST

Depending on local regulations, our gastronomic offerings may be limited. Thank you for your understanding! Popular products are still available to buy in our hostels.
