## Wombat's City Hostel Munich Hauptbahnhof

Is it the double rooms with their own terrace? Or the glass-roofed courtyard for chilling out? Or is it the private showers and toilets in each room? It's probably all together the reason why Wombat's City Hostel Munich Hauptbahnhof has already been named the most popular hostel in Munich!

The Oktoberfest grounds are just a 10-minute walk away, and the old town is just around the corner. And, as the name implies: the City Hostel also has excellent public transport connections.

Of course, you'll also find our Wombat's basics here: An open guest kitchen, 24-hour reception as well as secure luggage storage and plenty of rentables (umbrellas, hairdryers, adapters...). Free Wifi goes without saying. The popular Wombat's Breakfast Buffet gives guests from around the world energy for the day. Party vibes are guaranteed at the legendary in-house WomBAR.

Wombat's City Hostel Munich Hauptbahnhof hosts a total of 65 rooms with 346 beds, including private rooms and female only rooms.
