

Press Release, March 2024

## Wombat's City Hostel Munich Werksviertel

Opened in 2022, this is Wombat's second City Hostel in Munich. It is situated in one of the most exciting areas of Munich: the "Werksviertel". This former industrial area now features cultural facilities, green spaces, sports facilities, and local amenities emerging around the 'Ostbahnhof' station.

Here, Munich is youthful, vibrant, and dynamic. Moreover, if you wish to explore the more traditional side of Munich, you'll benefit from excellent public transport connections. For example, the U5 takes you directly to Oktoberfest's Theresienwiese.

The location of Wombat's City Hostel is quite unique and represents a new landmark building in Munich. Constructed upon a former potato silo, an 86-meter-high complex has been erected. The top part now houses a luxury apartment hotel, while the former potato space has been repurposed for the new Wombat's City Hostel.

Inside, you'll enjoy our modern and comfortable rooms with the unique Wombat's vibe, along with the super-popular WomBAR, a cozy WomCAFÉ, and in-house events in a great atmosphere!

Wombat's City Hostel Munich Werksviertel hosts a total of 121 rooms with 481 beds, including private rooms and female only rooms.

### About Wombat's – "by travellers for travellers"

Founded by former backpackers Marcus Praschinger and Sascha Dimitriewicz in 1999 in Vienna, Wombat's has become an integral part of the backpacker scene with locations in several countries, a loyal community, and numerous awards. Wombat's has won the "HOSCAR Award" for best international hostel chain 7 times and has been named "Most Popular Hostel" more than 20 times in various cities over the years. Wombat's City Hostels in Vienna, Munich (at Hauptbahnhof and at Werksviertel), London, and Budapest now collectively host an average of 300,000 overnight stays per year.
